Anne - thanks for checking w WDNR about whether a joint WDNR/EPA press release could be done for Juneau MOU. Pat Stevens/WDNR had previously said that a joint press release could be considered as we got closer to an MOU. Pat adds below that he's given WDNR's comms office a heads up about a call from us. Hi Jim: Thanks for the VM. I haven't been able to get an update on the discussion today. I also passed on to our communications person that he may be getting a call. Thanks much, and Happy Thanksgiving.
